To,

MARSHALL OF SILESIA VOIVODESHIP

Mr. Bogulsaw SMIGIELSKI

Suceava County Council expresses the compassion and solidarity feelings towards our partners in Silesia Voivodeship and for all your fellows, in these moments of profound sorrow for Polish people caused by the catastrophe in which the president Lech Kaczyński and other distinguished citizens of Poland, lost their lives.

We are convinced that Polish people will find their resources in order to get over this misfortune and will continue to be the same reliable partner for entire Europe.

May their souls rest in peace!
